INTRODUCTION

The 1974 edition of the Roster of State and Local Officials follows the plan used in previous editions. The penal and correctional institutions are listed under the Department of Correction and the Administrative Unit for Special Institutions is listed under the Board of Health.

Dated December 1, 1857, the first roster of state officials found was included in the annual report of the Secretary of State. It was headed "State Officers, Supreme Judges, etc., of the State of Indiana." In 1860, a similar report was compiled, but its publication was omitted by direction of the then Secretary of State. There were no reports of the Secretary of State from 1861 to 1870. The 1871 report contained a roster, but the 1873 report includes the Indiana Official Register. The Official Register was included in the Secretary of State's report through 1916. Beginning in 1917, the Roster of State, Local and Municipal Officers appears in the Year Book and the Statistical Report of the Legislative Bureau. The Legislative Bureau continued to publish the Roster through 1933. In 1934 the Division of Accounting and Statistics took over publication and since 1946 the Roster of State and Local Officials has been published by the State Board of Accounts.

We appreciate the cooperation of state and local officials in supplying the information covering state, county, city and township officers. There is the possibility of some errors in names, addresses and expiration dates for the term of some officials; we have checked the lists with all available sources and feel confident that the listings as printed can be relied upon for all practical purposes.

No attempt is made to arrange major departments, operating units or territorial subdivisions on any basis of legal importance.

For information of any number not listed in the Indianapolis phone directory, place your call to 633-4000, as it may then be transferred to the proper individual.

The Roster is issued for use by public officials of Indiana and for citizens and institutions having need of the information it contains. Copies will be found in public libraries and in libraries of Indiana colleges and universities.

This map shows how the 50 seats in the Indiana Senate are shared by the state's 92 counties, as reapportioned in 1971.

State Senators are elected to four-year terms. These terms are staggered in such a way that usually half of the 50 seats are subject to election every two years.

The Indiana Constitution requires that a senator be a citizen of the United States, a resident of Indiana for at least two years, and that he be at least 25 years old at the time of his election.

24-214 < IC 3-3-1-1 >. Division of state into districts.—The state of Indiana be and the same is hereby divided into eleven [11] districts for the election of representatives in congress, and each of said districts shall be entitled to elect one [1] representative in congress at the general election to be held in said state on the first Tuesday after the first Monday in November, 1972 and at each general election thereafter. [Acts 1965, ch. 205, § 1, p. 469; 1971, P. L. 18, § 1, p. 150.]

Compiler's Note. The case of Grills v. Branigin (1967), 10 Ind. Dec. 42, 284 Fed. Supp. 176, held the provisions of Acts 1965, ch. 205, unconstitutional because of excessive population variances. In further proceedings in the same case (Grills v. Branigin (1968), 13 Ind. Dec. 76, 284 Fed. Supp.

176), the court exempted this section from its holding of unconstitutionality and prescribed the territorial limits of the various districts.

Title of Amendatory Act. The title of Acts 1971, P. L. 18, reads: "An act to amend IC 1971, 3-3; dividing the state of

Indiana into congressional districts and designating the territory constituting each

Amendment. The 1971 amendment in-serted the words "be and the same is" fol-lowing the word "Indiana" and changed

the date from November, 1966 to November

the date from November, 1966 to November 1972 in this section.
